

"No, we are not best known in everything.
Just freeing your mind by solution of freight forwarding and logistics"

SAFI - SAFI - SAFI

SAFI started business with a skeleton staff of 22, in 1992, involved in sea-freight and inland-trucking services. In 1993, we were recognized as a FIATA associate-member and our staff has increased to cope with the fast development of our business. In 1995, Ha Noi branch was officially licensed to operate.

When sea-freight increased, in 1998, SAFI decided to open a further branch office in Hai Phong port to meet the demand of sea-freight customers.

Besides sea-freight, SAFI has gained an excellent reputation in air-freight. Meeting with the appearing of aircargo market in the middle part of Viet Nam, SAFI branch office in Da Nang city was established in 2000. Together with Ho Chi Minh City office covering the Southern Part and Ha Noi office for

the Northern, Da Nang office, in the middle, completes SAFI's chain of services, including multimodal transport, logistics service, shipbroking and shipping agency.

The operation has continued to grow over the years, with additional offices opening in Vung Tau, Quy Nhon, Quang Ninh, Lang Son to meet the increasing demand of customers. Today, as "one-stop shop", SAFI can help customers to choose the right service from our wide ranges. Thanks to dynamic, experienced and dedicated staff & management, SAFI has gained an excellent reputation in the local market as well as with our oversea partners and customers.
