SAFI is one of few forwarding companies initiating and pioneering the moving industry in Viet Nam. Better knowledge of how to handle customers' possessions, SAFI proves its name in this field. Apart from truck fleet, warehouses and professional tools, our highly skilled packers and supervisors are professionally trained in export packing. We extend our full moving services to customers by taking personal care of customers' goods as if they were our own.

SAFI is an affiliate member of AMSA and IAM. Our customers are embassies, international organizations, NGOs, foreign representative offices, foreign companies, etc. located in Viet Nam.

**Move with SAFI – Move with SAFETY**
