

With our warehouses in Ho Chi Minh City, Ha Noi and Da Nang, we offer wide range of services such general warehousing, distribution, LCL/consolidation and packing. Our modern facilities with professional equipments assure to offer to customers a reliable warehousing service.

We believe that storage and distribution should be in a vital link in the freight forwarding process. Along with the export container freight station (CFS) for groupage services, SAFI also offers distribution services and local multi-point delivery operations.
